

THE PRICE COUNSELING CENTER

Grace Riley Price, L.C.S.W.

Price Counseling LLC Extended Outpatient Program

- Sees clients from age 18 to 80 males and females
- While we see all types of alcohol and drug addiction, each client must be previously detoxed and in post withdrawal
- Each client must have a place to live
- Each client must be employed, looking for employment or attending school
- All treatment will be provided by licensed professionals or paraprofessionals
- Services rendered at Price Counseling Center are individual and group counseling, family counseling, educational groups and drug screens
- The length of treatment is a minimum of three months to twelve months long
- We do not provide living arrangements. However, we can make referrals to sober living houses, employment opportunities, medical clinics and twelve step programs
- We reserve the right to consider each case and refuse treatment to clients where the safety of patients, staff and other group members could be threatened
- We will refer patients to other facilities if the staff feels that we are unable to provide the level of care needed for the patients well being and sobriety
- Each patient needs to call the office to get enrolled for an intake assessment which will consist of a face to face interview, gathering of patient history, drug screen and two screening tools
